The Answer Keys to the questions were published on 20.04.2011. A few complaints regarding the questions / keys have been received and the same have been examined by Expert Committees constituted for the purpose. Based on the recommendations of the Committees, the following modifications have been made in the answer keys published on 20.04.2011.

Paper	MEDICAL				Answer Key	
	Version & Question Number				Original	Revised
Paper I Chemistry & Physics	A1	A2	A3	A4	Original	Revised

Accordingly, in Paper I (Chemistry & Physics), one (1) question from Chemistry part has been deleted. Hence this question has not been included in the valuation and no marks have been awarded for this deleted question to any candidate. Valuation has been based on 71 questions in Chemistry. Similarly, two (2) questions from Physics part of Paper I have been deleted. Hence these questions have not been included in the valuation and no marks have been awarded for these deleted questions to any candidate. Valuation has been based on 46 questions in Physics. The marks obtained in Chemistry part of Paper I have been multiplied by $(72/71)$, corrected to four decimal places and is added to the marks obtained for Physics part of Paper I multiplied by $(48/46)$. Similarly, one (1) question has been deleted from valuation in Paper II (Biology). The marks obtained for 119 questions have been multiplied by $(120/119)$ to determine the marks of Paper II (Biology), corrected to four decimal places. The above formula is applied to award proportionate marks based on the score of the candidate for the questions considered for evaluation (excluding deleted questions) and to compensate the loss of marks for the deleted questions.

Valuation of the OMR answer scripts is computerized and is error-free. There is no provision for revaluation of answer scripts or re-checking of marks in this system of evaluation.

The results of candidates claiming SC/ST benefits, but whose community claims have not been cleared by the Screening Committee, have been withheld.

The inclusion of Roll No. of any candidate in this list does not entitle him/her for admission unless he/she satisfies all the conditions of eligibility as prescribed in the Prospectus. The category/community-wise list based on the rank list will also be published in due course. Complaints regarding the Category List should reach the Commissioner for Entrance Examinations within 7 days after the publication of the Category list.

Candidates will be admitted to the courses only if the academic eligibility conditions as prescribed in the Prospectus are fulfilled at the time of admission. This will be verified at the time of admission.
