

No. CEE/1515/2011/CAP-2012/TA1

Government of Kerala

Office of the Commissioner for Entrance Examinations

Housing Board Buildings, Santhi Nagar, Thiruvananthapuram - 695 001

NOTIFICATION

The category list for Engineering Rank list was published on 27.06.2012, calling for objections up to 02.07.2012. Some of the candidates have raised objections against the Engineering Category list and their category has been allowed on the basis of the records already furnished by them. As certain candidates who have raised complaints against Engineering Category lists are also included in Medical Rank list, the same category status has to be given for Medical courses also.

Since allotment to all courses is a common process, same category should be assigned to a candidate for all courses. Category lists are revised accordingly.

A handwritten signature in black ink, consisting of several overlapping strokes.
