## SPECIAL INSTRUCTION REGARDING MARKING OF VERSION CODES IN OMR ANSWER SHEETS OF ENGINEERING PAPER-II AND MEDICAL PAPER-II EXAMINATIONS

Question Booklets for the Engineering Paper-II and Medical Paper-II Examinations are prepared under four versions **B1**, **B2**, **B3** and **B4**. Candidates should enter the version code of the Question Booklet as such in the box provided against **Item No. 1** in the 'Candidate's Data Part' of the OMR Answer Sheet. After that, the candidates who get a Question Booklet of version code **B1** should darken the bubble corresponding to **A1**. Similarly, candidates who get a Question Booklet of version code **B2** should darken the bubble corresponding to **A2**, candidates who get a Question Booklet of version code **B3** should darken the bubble corresponding to **A3** and candidates who get a Question Booklet of version code **B4** should darken the bubble corresponding to **A4** using Blue or Black ink Ball point pen.
