

NOTIFICATION
KERALA ENGINEERING/PHARMACY ENTRANCE EXAMINATION-2017
SCORES PUBLISHED

The scores secured by candidates in the Engineering/Pharmacy Entrance Examination, Kerala-2017 are published herewith. The results are available on the websites www.cee.kerala.gov.in and www.cee-kerala.org. Candidates can login to their home page through the link '[KEAM-2017 Candidate Portal](#)' and then click the menu item '**Result**' to view the results.

Of the 90806 students appeared, 72440 students have qualified in the Engineering Entrance Examination and 21349 students have qualified under Pharmacy stream out of the 24996 students appeared for the Pharmacy Entrance Examination (Paper 1 of the Engineering Entrance Examination).

The scores secured for Engineering Entrance Examination have been prepared on the basis of the Entrance Examination conducted on 24th (Paper-I: Physics & Chemistry) and 25th (Paper-II: Mathematics) of April 2017. Candidates who have not appeared for any one or for both the Papers of the Engineering Entrance Examination and those who have scored less than 10 (with exception of SC/ST candidates) in each paper of the Engineering Entrance Examination have been 'Disqualified' (DQLFD) under Engineering stream. Those candidates having a valid score in Paper I (Physics & Chemistry) of the Engineering Entrance Examination will be included in the rank list for admission to B.Pharm and Pharm.D courses. The results of 1218 candidates under Engineering stream and 253 candidates under Pharmacy stream have been withheld (WHELD) for various reasons.

The Answer Keys of the Engineering Entrance Examination were published on 25.04.2017. A few complaints regarding the questions / answer keys have been received and the same were examined by Expert Committees constituted for the purpose. Based on the recommendations of the Expert Committees, the following modifications have been made in the Answer Keys of the Engineering Entrance Examination.

Paper	Version & Question Number				Answer Key	
	A1	A2	A3	A4	Published	Revised
Engineering Paper I Physics & Chemistry (Pharmacy Entrance Examination)	64	44	25	13	A	Deleted
	73	107	97	78	C	A
	82	116	106	87	B	E
	92	78	116	97	A	Deleted
	95	81	119	100	A	Deleted
	96	82	120	101	A	D
	97	83	73	102	C	B
Engineering Paper II Mathematics	B1	B2	B3	B4	Published	Revised
	7	99	63	36	C	D
	62	34	118	91	B	Deleted
	64	36	120	93	A	Deleted
	66	38	2	95	D	B
	70	42	6	99	A	Deleted
	117	89	53	26	A	Deleted

Accordingly, in Engineering Paper I (Physics & Chemistry), one (1) question from Physics part and two (2) questions from Chemistry part have been deleted. These questions have not been included in the valuation and no marks have been awarded for these deleted questions to any candidate. Valuation has been done based on 71 questions in Physics and 46 questions in Chemistry. The score obtained in Chemistry part of Engineering Paper I has been multiplied by $(48/46)$, corrected to four decimal places. Similarly the score obtained in Physics part of Engineering Paper I has been multiplied by $(72/71)$, corrected to four decimal places. Both the scores are then added to get the total score in Engineering Paper I.

Similarly, four (4) questions have been deleted from valuation in Engineering Paper II (Mathematics). The score obtained for the remaining 116 questions has been multiplied by $(120/116)$ to determine the score in Engineering Paper II (Mathematics), corrected to four decimal places.

The above formula is applied to award proportionate scores based on the score obtained by the candidate for the questions considered for evaluation (excluding deleted questions) and to compensate the loss of scores for the deleted questions.

Valuation of the OMR answer scripts is computerized and is hence error-free. There is no provision for revaluation of answer scripts or re-checking of marks in this system of evaluation.

Those candidates who have qualified in the Engineering Entrance Examination will have to submit the marks obtained by them in the qualifying examination (Plus Two or equivalent) for Mathematics, Physics and Chemistry/Computer Science/Biotechnology/Biology in order to prepare the Engineering rank list 2017. The facility for submission of marks online will be available from 25.05.2017 onwards in the website www.cee.kerala.gov.in. Detailed notification for submission of marks in the qualifying examination will be issued separately. The Engineering rank list will be prepared by giving equal weightage to the marks obtained in the Engineering Entrance Examination (Paper I and Paper II put together), and the grade/marks obtained for Mathematics, Physics and Chemistry/Computer Science/Biotechnology/Biology put together in the final year of the qualifying examination, after effecting the standardization procedure as described in Clause 9.7.4 (b)(iii) of the Prospectus for KEAM 2017. The marks as given in the marks list of the final year of the qualifying examination (Plus Two or equivalent) only will be considered for preparation of Engineering Rank list. The Engineering Rank list will be published in the 3rd week of June 2017.

The results of candidates claiming SC/ST benefits, but whose community claims have not been cleared by the Screening Committee constituted for the purpose, have been withheld. Similarly, the results of some other candidates who have not submitted the required documents to correct the defects in their application for KEAM 2017 have also been withheld. But all such candidates will be allowed to submit the marks obtained by them in the Qualifying Examination online for the preparation of Engineering Rank list.
