Each question will have four responses, marked A,B,C and D. The candidates will have to choose the most appropriate response and mark the corresponding bubble in the OMR Answer Sheet. Scoring Scheme: Each correct answer will be awarded three marks. One mark will be deducted for each wrong answer. No mark will be given for the question not answered. More than one answer marked against question will be deemed as incorrect responses and will be negatively marked. A fully computerized system has been adopted for evaluation of the answer scripts, using the Optical Mark Reading (OMR) System, and for the preparation of the rank list and category list. There is no provision for revaluation or re-checking of answer sheet as valuation or scoring will be error free.

### **Important**

Any malpractice or attempt to commit any kind of malpractice, in the examination will result in the disqualification of the candidate and withdrawal of candidature.

### **Clause 11:**
