While preparing the rank list, one question has been deleted since there was no correct answer among the options. This question has not been included for valuation and no marks have been awarded for this deleted question to any candidate. The marks obtained for the remaining 199 questions have been multiplied by (200/199) to get the actual marks (corrected to four decimals). The above formula is applied to award proportionate marks based on the score of the candidates in the questions considered for valuation (excluding deleted questions) to compensate the loss of marks for the deleted questions.

The Provisional Rank list of candidates is available on the website [www.cee.kerala.gov.in](http://www.cee.kerala.gov.in)
