The Provisional Rank list and the list of qualified Service candidates who have appeared for the Entrance Examination for admission to Post Graduate Super Speciality Courses 2013 conducted on 13.07.2013 & 14.07.2013 at Thiruvananthapuram are published herewith.

While preparing the rank list, Four questions in Medical Paper I, Three questions in Surgical Paper I, Three questions in Cardiology Paper II, Eight questions in Gastroenterology Paper II, One question in Neurology Paper II, Three questions in Nephrology Paper II, Nine questions in Gastroenterology Surgery Paper II, One question in Paediatric Surgery Paper II, One question in Plastic Surgery Paper II and Four questions in Genito Urinary Surgery Paper II have been deleted based on expert committee opinion sought with respect to the complaints raised by candidates regarding the questions/answer keys. These questions have not been included for valuation and no marks have been awarded for these deleted questions to any candidate. The total marks obtained for 86 questions have been multiplied by (90/86) in the case of Medical Paper I, the total marks obtained for 87 questions have been multiplied by (90/87) in the case of Surgical Paper I, the total marks obtained for 87 questions have been multiplied by (90/87) in the case of Cardiology Paper II and so on to get the actual marks (corrected to four decimals). The above formula is applied to award proportionate marks based on the score of the candidates in the questions considered for valuation (excluding deleted questions) to compensate the loss of marks for the deleted questions. The answer keys of some of the questions also have been changed based on the expert committee opinion.

The Provisional Rank list will be available for reference in this office and on the website www.cee-kerala.org. The revised answer keys of all the papers are also published in the website.

Inclusion of a candidate in the rank list does not entitle him/her for admission to the courses, unless he/she satisfies the eligibility conditions contained in the Prospectus for admission to P G Super Speciality Courses-2013 approved by the Government of Kerala. The Director of Medical Education will make allotment and admissions as per the conditions laid down in the Prospectus.
