The Provisional Rank list and the list of qualified Service candidates who have appeared for the Entrance Examination for admission to Post Graduate Super Speciality Courses 2014 conducted on 19.07.2014 & 20.07.2014 at Thiruvananthapuram are published herewith.

While preparing the rank list, Five questions in Medical Paper-I, Six questions in Surgical Paper-I, Eight questions in Gastroenterology Surgery Paper-II, Two questions in Gastroenterology Paper-II, Two questions in Nephrology Paper-II, Four questions in Neurology Paper-II, Two questions in Neurosurgery Paper-II and Two questions in Genito Urinary Surgery Paper-II have been deleted based on expert committee opinion sought with respect to the complaints raised by candidates regarding the questions/answer keys. These questions have not been included for valuation and no marks have been awarded for these deleted questions to any candidate. The total marks obtained for 85 questions have been multiplied by (90/85) in the case of Medical Paper-I, the total marks obtained for 84 questions have been multiplied by (90/84) in the case of Surgical Paper-I, the total marks obtained for 82 questions have been multiplied by (90/82) in the case of Gastroenterology Surgery Paper-II and so on to get the actual marks (corrected to four decimals). The above formula is applied to award proportionate marks based on the score of the candidates in the questions considered for valuation (excluding deleted questions) to compensate the loss of marks for the deleted questions. The answer keys of some of the questions also have been changed based on the expert committee opinion.

The Provisional Rank list will be available for reference in this office and on the website www.cee-kerala.org. The revised answer keys of all the papers are also published in the website. The result of some of the candidates have been withheld for want of required documents in the application submitted by them.

Inclusion of a candidate in the rank list does not entitle him/her for admission to the courses, unless he/she satisfies the eligibility conditions contained in the Prospectus for admission to P G Super Speciality Courses-2014 approved by the Government of Kerala. The Director of Medical Education will make allotment and admissions as per the conditions laid down in the Prospectus.
