Consolidated Seat Matrix

13.05.2016

This seat matrix contains the newly added seats/courses/colleges and the AIQ seats reverted to the State Quota, along with the seats that were present since the first phase. The seat matrix contains both State Merit seats and seats reserved for various reservation categories including the service quota. Candidates are requested not to file or retain unwanted options, which may result in payment of liquidated damages. Candidates eligible for the reserved category seats should correctly identify such seats from the seat matrix and invariably opt for the particular seats they are interested in apart from the State Merit seats, if they desire so.
