1. G.O (Rt) No. 3978/2015/H&FWD dated 10.12.2015.
  2. G.O (Rt) No.15/2016/H&FWD dated 04.01.2016.
  3. Representation dated 16.01.2016 from Dr. Menon Priya Govindankutty, Junior Resident, Department of Psychiatry, Government Medical College, Ernakulam.
  4. Letter No. B2/25854/2014/DME dated 11.02.2016 from the Director of Medical Education, Thiruvananthapuram.

**ORDER**

As per Government Order read as first paper above, Government approved the prospectus for the admission to Medical Post Graduate Degree / Diploma Courses for the Academic Year 2016-17. Later as per Government Order read as second paper above, the prospectus was partially modified giving opportunity to the candidates from the Government Medical College, Ernakulam to participate in the Entrance Examinations for Post Graduate Admission under Medical Education Service Quota. As per the representation read above prospective candidates of Government Medical College, Ernakulam requested Government to modify the seat distribution under State quota so that the seats can be allotted in Medical Education Service Quota in respect of the candidates of Government Medical College, Ernakulam also.

The Director of Medical Education as per letter read as fifth paper above informed Government that at present no seats have been allotted for the specialties in respect of candidates from the Government Medical College, Ernakulam. Director of Medical Education also proposed to modify Annexure III, V (e) and Annexure V (g) and V(h) of the PG Prospectus considering the applications of candidates from Government Medical College, Ernakulam under Medical Education Service Quota.

Government have examined the matter in detail in view of the representation received from the applicants from Government Medical College, Ernakulam and also the report of the Director of Medical Education. At present there are 16 seats earmarked under MES Quota distributed among various clinical and non clinical subjects. There were 7 applicants from Government Medical College, Ernakulam under various specialties as below:

1. MS, Orthopaedics
2. MD, Radiodiagnosis
3. MS, General Surgery
4. MD, Paediatrics
5. MD, Pharmacology
6. MD, Biochemistry
7. MD, Psychiatry

The candidate who applied for MD, Orthopaedics had not appeared for Entrance Examinations. As such seats are to be earmarked for six specialties under MES Quota considering the applications of the candidates of Government Medical College, Ernakulam. As per Annexure III of the Prospectus seats had already been earmarked for MS, General Surgery, MD, Paediatrics, MD, Pharmacology and MD, Radiodiagnosis. As there are no candidates for MS, Orthopaedics, no seat distribution is needed. Therefore modification is required only in the case of MD, Psychiatry and MD, Biochemistry.

In the above circumstances, Government are pleased to modify the Annexure III, V(e), V(g) and V(h) of the PG Prospectus by earmarking one seat of MD Psychiatry (Government Medical College, Kottayam) and one seat of MD Biochemistry (Government Medical College, Alappuzha) under Medical Education Service Quota. As the above seats are taken from the Health Service Quota, in order to compensate, one seat of MS Anatomy and one seat of MS Microbiology is transferred to Health Service Quota from Medical Education Service Quota.

The Annexure III, V (e), V (g) and V (h) modified as above is annexed to this order. The Director of Medical Education and the Commissioner for Entrance Examinations will take further steps to allot seats to Medical Education Service Quota and Health Service Quota candidates as per the modified seat distribution.

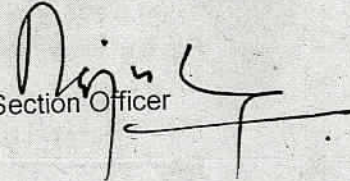

(By Order of the Governor)
