For the preparation of Engineering Rank list, equal weightage was given to the marks obtained in the Entrance Examination for Engineering (Paper I & Paper II put together) and the grade/marks obtained for Mathematics, Physics and Chemistry/Computer Science/Biotechnology/Biology put together in the Second year of the Qualifying Examination (Plus Two or equivalent), after effecting the standardization procedure as described in Clause 9.7.4 (b)(iii) of the Prospectus for KEAM 2022.

The marks of candidates from such Boards have been standardized based on the criteria decided upon by the Committee constituted vide G.O.

(Rt)No.1061/2017/H.Edn dated 07.06.2017.

Marks obtained by the candidate in the Engineering Entrance Examination (Paper I & Paper II put together) is computed out of 300 and added to the total standardized marks of Mathematics, Physics and Chemistry/Computer Science/ Biotechnology/Biology as the case may be in the final year of the Qualifying Examination computed out of 300, both corrected to 4 places of decimals. The rank list for Engineering Courses is then prepared based on the total marks obtained out of 600, computed as above.

The results of some of the candidates in the above Rank list have been withheld due to the defects in their application or due to other reasons. The results of such candidates will be released as and when the reasons for withholding their results are cleared.

Candidates will be admitted to the courses only if the academic eligibility conditions as prescribed in the Prospectus under Clause 6.2 are fulfilled at the time of admission. This will be verified by the college authorities concerned, at the time of admission.
