NOTIFICATION

ADMISSION TO POST GRADUATE COURSES IN DENTAL SURGERY (MDS), KERALA -2021 **ATTENTION TO CANDIDATES**

The Online Application and Option registration for admission to state quota seats for PG Dental course-2021 has started from 30.09.2021 and will end on 05.10.2021, 5.00 pm. As the first phase of the State quota allotment has to be completed before the commencement of the second round of the All India Quota allotment, the Office of the Commissioner for Entrance Examinations is compelled to complete the first phase allotment within time limit. In this situation, the first phase of allotment will be published on 06.10.2021 as a provisional allotment list, on the basis of the options filed by the candidates and the category/community claimed by the candidates through online application process within the stipulated time.

As the allotment will be published on the basis of the category claimed by the candidates through online application, the allotment got through the category claim will be lost, if the candidate cannot submit the documents to substantiate his/her community/category claim at the time of admission. Further, the lower options of the allotment will also be lost. Those candidates whose category claim is cancelled will be considered as general candidates for further allotments. Thus if any candidates has claimed any community/category claim through online application, he/she has to produce the documents/certificates to prove his/her community/category claim at the time of admission.

Those candidates who have submitted online application within the stipulated time can use the '**Category Correction Window**' option available in the home page on 05.10.2021 between 5.00 pm to 7.00 pm for correcting the category/community claim made in the online application. Using the '**Category Correction Window**' candidates can add new community/category claims or delete the unnecessary claims made in the online application. The detailed notification regarding 1st phase of allotment will be published later.
