**ORDER**

Vide paper read 1, while considering the matter of affiliation for the AY 2020-21, Syndicate at its eleventh meeting held on 04.02.2020, has resolved to fix criteria for granting new programmes/courses to the colleges affiliated to the University. Further, vide paper read 2, Syndicate has also resolved to entrust Hon'ble Vice Chancellor to invite applications for affiliation of institutions.

Accordingly, vide paper read 3, communication was given to all colleges to submit a detailed project report for starting new programmes/courses and vide paper 4 above notification was issued, inviting application through the web-portal for the New/Extension of affiliation of Under Graduate and Post Graduate programmes/courses/Institutions for the Academic Year 2020-21. Consequent to the above, colleges have submitted hard copies of the documents duly filled in the prescribed formats to the University and through the web portal.

Vide paper read 5, Syndicate Subcommittee on Affiliation has been entrusted to scrutinise the applications received for starting new programmes/courses as per the criteria fixed by Syndicate.

Syndicate Subcommittee on Affiliation on scrutinising the applications and recommended to consider those institutions which were found eligible.

Vide paper read 6, Syndicate has considered the matter at its twelfth meeting held on 17.06.2020 and resolved to grant affiliation to programs/courses applied by all eligible institutions which satisfies the criteria of eligibility.

Vide paper read 8, University has accorded sanction to implement the resolution of the Syndicate to grant affiliation to the programs applied by these eligible institutions.

However, the applications submitted by those institutions which did not satisfy the eligibility conditions laid down by the Syndicate of the University as per its decision dated 17.06.2020 and 24.06.2020 were not considered. Aggrieved by the decision of University, those institutions that did not satisfy the eligibility criteria and norms laid down by the Syndicate have approached the Hon'ble High Court. The Hon'ble High Court through Interim Orders, directed the University to grant provisional affiliation for the additional courses applied. Accordingly, provisional affiliations were granted to 23 institutions, vide orders of the University, read 9 to 14.

The Hon'ble High Court in its Judgement dated 06.08.2020, vide paper read 15, issued the following direction to the University in respect of application for affiliation:

1. The norms fixed by the Syndicate in its decision dated 24.06.2020 require reconsideration. The University shall take a decision afresh about the question of affiliation of the new/additional courses /programmes taking note of the

recommendations in Annexure 1 and Clause 7 of Annexure 14 of the Approval Process Handbook of AICTE as well as the clarification letter issued by AICTE on 26.02.2020 also, as expeditiously as possible to pass an order incorporating the decision.

2. University shall thereafter pass orders on the application submitted for affiliation, and in the event of rejection, they shall be informed of the reasons thereof.
3. In case affiliation is denied to any of the petitioners for want of NOC from the Government alone, the University shall issue orders granting affiliation.
4. In case affiliation is denied for the only reason that NOC was not issued prior to submission for application for approval, the University shall pass orders on the application submitted/to be submitted for NOC on merits, and issue NOC in case there is no legal impediment, and pass orders on affiliation without any further delay, and in case application for closure are pending that shall also be finalized.

This matter was placed before the 14th meeting of the Syndicate held on 17.08.2020, vide paper read 17, for its consideration and decision. Since the aggrieved institutions filed writ appeals before the Hon'ble High Court, the Syndicate deferred the matter till a final decision is taken by the High Court.

The Division Bench of the Hon'ble High Court in its Judgement in WA No.1073/2020 dated 08.09.2020 and batch of cases, vide paper read 18 filed by the aggrieved institutions, partially set aside the Judgement of the learned Single Judge in the Writ Petitions and directed the Vice Chancellor of the University to consider the applications submitted by the aggrieved institutions *dehors* the order of the University dated 10.06.2020 & 24.06.2020 at the earliest, taking into account the fact that AICTE has extended the last date for affiliation till 15.09.2020.

The Division Bench also held that the provisional affiliation granted by the University to the aggrieved colleges pursuant to the interim Orders dated 14.08.2020 by the learned Single Judge shall continue to be in force for all practical, admission and academic purposes till a decision is taken by the University as directed above.

In the light of the Judgement of the Division Bench of the Hon'ble High Court dated 08.09.2020, vide paper read 18, a decision has to be taken by the Vice Chancellor on the application for affiliation, on or before 15.09.2020, the last date fixed by the AICTE for granting affiliation by the University.

The crux of the Judgement of the Hon'ble Division Bench in WA No.1073/2020 and batch of cases, is that the University is not entitled to challenge the approval granted by the AICTE collaterally in the Writ Petitions filed by the aggrieved institutions. It is also been held that the subject issue is in the domain of the Union Government due to the fact that higher education is included in entry 66 of list 1 of schedule VII of the Constitution of India, dealing with coordination and determination of standards in institutions of Higher Education or research

and scientific and technical institutions. The Division Bench of the Hon'ble High Court therefore held that the University and the State did not have any power to incorporate the conditions in the orders in question and the Syndicate to take the decisions discussed above (for the reason that APJ Abdul Kalam Technological University Act 2015 did not empower the Syndicate of the University to fix conditions for affiliation) for consideration of the applications pending before the University seeking affiliation for additional courses. Therefore, any decision by the Vice Chancellor *dehors* the conditions fixed by the Syndicate for affiliation and that it should be in line with the directions for the Division Bench referred above, which mandates affiliation for the courses approved by the AICTE to the institutions.

The First Statutes of the University has been issued on 05.08.2020. The Statutes specifically provides for the manner in which affiliation has to be granted to colleges and for courses conducted in the colleges. As per the directions of the Division Bench of the Hon'ble High Court, the Vice Chancellor has to take a decision *dehors* the statutory provisions of the APJ Abdul Kalam Technological University Act 2015 and the First Statutes.

Further, the matter of granting approval to colleges/courses by the AICTE without obtaining the views and decisions of the University on the applications for affiliation, and thereafter mandating the University to grant affiliation, as directed in the Judgement of the Division Bench, impinges on the statutory authority of the University. This question of law has been decided to be appealed against. Accordingly, the University has taken steps to file a Special Leave Petition in the Hon'ble Supreme Court of India against the Judgement of the Hon'ble High Court.

In view of the above, the applications for affiliation to whom provisional affiliation was granted by the University as per the interim orders of the Hon'ble high Court of Kerala shall be considered in the light of the Orders/Judgement of the Hon'ble Supreme Court in the SLPs. Till such time, the provisional affiliation already granted to the institutions by the University shall continue to remain in force.

The Judgements of the orders of Hon'ble High Courts of Kerala, vide paper read 18 and 19 are accordingly complied with.
