**KEAM-2026**

**KERALA ENGINEERING, PHARMACY COMPUTER BASED**  
**(CBT) ENTRANCE EXAMINATIONS- SCORES PUBLISHED**

The normalized scores secured by candidates in the Engineering, Pharmacy Computer Based (CBT) Entrance Examinations - 2026 are published in the website [www.cee.kerala.gov.in](http://www.cee.kerala.gov.in). Candidates can login to their home page through the link 'KEAM-2026 Candidate Portal' and then click the menu 'Result' to view the Entrance Examination Normalized score.

The final answer key is published in the website. In order to compensate for the deleted questions, the raw scores obtained for the remaining questions of each examination for each subject have been multiplied by the respective correction factor to obtain the individual scores for the respective sessions. Depending on the number of questions deleted as per the finalized answer key, the correction factor for each session is as follows:

| <b>Engineering</b>         |                            |                  |                    |                          |                  |                    |
|----------------------------|----------------------------|------------------|--------------------|--------------------------|------------------|--------------------|
| <b>Date of Examination</b> | <b>Number of deletions</b> |                  |                    | <b>Correction Factor</b> |                  |                    |
|                            | <b>Physics</b>             | <b>Chemistry</b> | <b>Mathematics</b> | <b>Physics</b>           | <b>Chemistry</b> | <b>Mathematics</b> |
| 17/04/2026                 | -                          | 1                | -                  | -                        | $\frac{30}{29}$  | -                  |
| 19/04/2026                 | -                          | 2                | -                  | -                        | $\frac{30}{28}$  | -                  |
| 20/04/2026                 | 1                          | 3                | 3                  | $\frac{45}{44}$          | $\frac{30}{27}$  | $\frac{75}{72}$    |
|                            |                            |                  |                    |                          |                  |                    |

|            |   |   |   |                 |                 |                 |
|------------|---|---|---|-----------------|-----------------|-----------------|
| 21/04/2026 | 2 | 3 | 3 | $\frac{45}{43}$ | $\frac{30}{27}$ | $\frac{75}{72}$ |
| 22/04/2026 | 2 | - | 5 | $\frac{45}{43}$ | -               | $\frac{75}{70}$ |

| Pharmacy            |                     |           |                   |                 |
|---------------------|---------------------|-----------|-------------------|-----------------|
| Date of Examination | Number of deletions |           | Correction Factor |                 |
|                     | Physics             | Chemistry | Physics           | Chemistry       |
| 18/04/2026 (FN)     | 1                   | -         | $\frac{30}{29}$   | -               |
| 19/04/2026 (FN)     | 1                   | 1         | $\frac{30}{29}$   | $\frac{45}{44}$ |

The score obtained by the candidates, after applying the correction factor, for the respective subjects are added together and subjected to the normalization procedure as described in prospectus clause 9.4.4(i) to get the normalized score of the candidate in the Entrance Examination concerned.

The rank list for Engineering course shall be prepared by giving equal weightage of 50:50 to the normalized score obtained in the Entrance examination for Engineering and the grade/marks obtained in the final year of the qualifying examination for mathematics, Physics and Chemistry put together, after effecting the Normalization procedure as described in clause 9.7.4 (b)(iii). Qualifying in the Engineering Entrance Examination is subject to the prospectus clause 9.7.5 (i).

The score of some candidates have been withheld due to pending defects in their application for KEAM 2026 or for other related reasons.
